## Other matters

### College Traffic Flows

Please remember that our procedures for morning drop-off and afternoon pick-up have been carefully planned to keep everyone in our school community as safe as possible and for the best management of traffic in these busy precincts.

As such, all parents should refresh their knowledge of such requirements as follows:

1. **During the peak periods from 8.15am to 8.45am and 3.15pm to 3.45pm**, the Sacre Coeur Centre car park and the John Fahey Centre car park cannot be used for drop-off or pick-up. Due to the high volume of pedestrians, mainly our students, any moving vehicle in these presents a serious hazard for students and the areas need to be kept clear for buses.

The gates of the **John Fahey Centre car park are closed from 3.00pm to 4.00pm** for afternoon buses. Please do not park in this car park as the gates cannot be opened during this time.

2. **During the peak periods from 8.15am to 8.45am and 3.15pm to 3.45pm** there are two areas to drop off or collect your children. They are:
  - a. Pick-up Point A – enter from Moss Vale Road (exit to Moss Vale for all cars)
  - b. Pick-up Point B – enter from Eridge Park Road (exit to Bowral for all cars)

For early morning music ensemble drop off or after school study or extracurricular pick up, it is recommended that you use the John Fahey Centre car park. The Sacre Coeur Centre car park is available from 9.15am to 3.00pm for sick bay pickup.
